**Here's how it works:** New patients to our practice will receive a \$100 credit toward any future treatment with exception of prophylaxis (i.e. a cleaning) when they present this Care to Share certificate. The referrer will also receive \$100 credit toward any future treatment with exception of prophylaxis (cleaning) as our way of saying "thank you" for the new patient referral. To refer a new patient you must be over the age of 18 and have completed a comprehensive non-emergency exam.
